Point 01.

Soft and delicate texture **UP!** Calories **DOWN!**

The main ingredient is low calorie chicken breast, while pork sausage provides thick chewy gravy! What's more, sweet potato eliminates greasiness, enhances taste and satiates the appetite.

Point 02.

Easy weight loss with chicken breast sausages!

Eat well and stay stylish.
Enjoy light, low-calorie food with various recipes!

Point 03.

Healthy and **fresh** sausage made from **quality ingredients**

We carefully select 100% domestic
chicken breast and pumpkin sweet potato.

Point 04.

Check the SAFE FOOD HACCP!

Chicken breast sausage GOODDAK obtained HACCP (safety food certification) from the Korea Food & Drug Administration, providing assurance of safe manufacturing practices.

What is HACCP? HACCP identifies risk factors that may occur at each step from raw materials of food products to the final stage of consumption. For effective management, HACCP sets preventative hygiene management criteria in order to ensure systematic food safety.
